CAREER OBJECTIVE

To secure a Software Engineering role in an organization where I can use my technical expertise and problem-solving skills. I aim to obtain a dynamic position in a reputed organization, utilizing both my soft skills and technical abilities, along with my communication and interpersonal skills, with a proven ability to work as part of a team.

EDUCATION

Technocrats Institute of Technology (Excellence)	2021 - 2025
Bachelor of Technology CGPA : 7.86	
Lakshmi Bai Vidya Mandir Higher Secondary School	
10th :- 91.4% (2018)	12th :- 81.6% (2020)

EXPERIENCE

• Digital Bhem Intern	10 Sep 23 - 10 Oct 23
Task - 1. Shopping landing Page	
• Ramraj Tech Intern	1 April 22 - 30 June 22
C++ & Competitive Programming	

PROJECTS

1.Food Delivery Application

- Developed a full-featured online food delivery application using the MERN stack.
- Built a responsive and intuitive frontend using React, HTML, and CSS.
- Implemented user authentication and authorization for secure access.
- Designed a dynamic interface to showcase a diverse variety of food items.

2.Currency Converter

- Developed a currency converter web application using React, integrating a currency exchange rate API.
- Implemented real-time conversion between multiple currencies with a user-friendly interface.
- Optimized API calls and state management for improved performance and responsiveness.

3.Student Report Card System

This project is developed in C++ that performs various tasks related to student records. It provides functionality to create, modify, delete, and display student academic information and their report cards.

SKILLS

Technical Skills

- C++
- JAVA Basics
- HTML
- SQL
- Object Oriented Programming

Soft Skills

- Problem solving
- Leadership

CERTIFICATIONS

Global Certification

- Microsoft Azure Certification
- Github Foundation Certification

Other Certification

- C++ Codechef Certification
- HTML Certification
- Codechef problem solving

ACHIEVEMENTS

- 2 star coder in CodeChef
- participate in GDG (Google Developer Group) Event

- 220+ Leetcode Question Solve
- Participate in internal hackathon in collage
